

# Mitosis Coloring Sheet:

**Directions:** ❶ Color the key and each phase according to the key on the screen. ❷ Cut out the phases of mitosis. ❸ Paste them in the correct order on page two. ❹ Have your teacher check the order of your phases before you continue. ❺ Underneath each phase, write an explanation of what goes on during that stage (use your textbook to help you!)

## PHASES OF MITOSIS:

### Mitosis
